

Student Code of Conduct

All students must follow the rules of each course, and while in England and Wales must respect the law. OISE expects all students to come with a positive and respectful attitude in order to make the most progress possible and make the course enjoyable for all involved. OISE aim to give you all the support and guidance you need to achieve success.

The Code of Conduct is a guide to show you what we expect from students at all our schools so that we can help you to achieve in a supportive and non-threatening environment.

- Respect the school property. Students who cause damage will have to pay the full cost of replacement or repair. Setting off fire alarms and fire extinguishers are considered serious offences and may lead to exclusion from the school.
- Treat everyone with respect. Any form of bullying will be treated seriously and may lead to exclusion from the school.
- Students are expected to attend every lesson. Attendance is recorded every lesson, and absence from a class will be reported to the Course Leader.
- Work hard in class and complete work set outside the lesson, on time. Students who are disruptive during the lessons could be excluded from leisure activities and excursions. If disruptive behaviour continues then it could lead to a written warning and expulsion from the school.
- For children who will stay with host families, parents may indicate on the Registration Form whether they authorise their child to stay out in the evenings without supervision. This means that children aged 13 and under are not allowed out unsupervised after their evening meal; those aged 14 and above must return by 22:00. However, students must also respect the house rules of the host family where these times may inconvenience the family. Children on residential courses have evening activities and are not allowed to stay out unsupervised.
Please note that the School cannot be held responsible for any incident whilst the student is out unsupervised.
- OISE reserves the right to issue disruptive students with a warning letter and, if there is no improvement in behaviour, to send them home at their parents' expense.
- OISE further reserves the right to send home without a warning letter any student committing a serious offence, especially one involving the police and to include the following: theft, smoking in OISE buildings, the possession of, purchase of or consumption of alcohol or illegal drugs, bullying and violence (verbal and physical).
- It is illegal for anyone under the age of 18 to buy alcohol.
- It is illegal for anyone under the age of 18 to buy tobacco products.
- It is OISE policy to send a student home immediately if they break the law.

As an OISE student I have read, understand and agree to the above.
